## WELDING CERTIFICATE

**Certificate No: 0513 - CPR - 12880-001/01 - WC**

In compliance with BS EN 1090-1:2009 Table B1 the following has been stated;

This Welding Certificate is an annex to the EC – Certificate of the Factory Production Control.

This Welding Certificate is only valid in conjunction with the aforementioned EC-Certificate in the scope of the Construction Products Regulation or CPR.

<b>Manufacturer:</b>	Hooton Engineering Ltd
<b>Facilities of the Manufacturer:</b>	Longwood Road, Corringham Road Industrial Estate, Gainsborough, Lincolnshire, DN21 1QB
<b>Standard:</b>	BS EN 1090-2: 2008 + A1: 2011
<b>Execution Class:</b>	Up to Execution Class 2
<b>Welding Processes:</b>	135 MAG (Metal Active Gas Welding)
<b>Base Materials:</b>	Up to and including S275 to S355 JO, J2 + N according to EN 10025-2
<b>Responsible Welding Coordinator:</b>	Dominic Moran
<b>Substitute:</b>	None
<b>Attestation:</b>	This certificate attests that all procedures for the execution and surveillance of welding works are implemented
<b>Date of first issue:</b>	30 March 2015
<b>Date of this issue:</b>	30 March 2015
<b>Period of Validity:</b>	29 March 2018
<b>Validity Period:</b>	This certificate remains valid as long as the conditions laid out in the technical specification in reference to BS EN 1090-1:2009 + A1 2011 or the manufacturing conditions in the factory or FPC are not modified significantly

**Approved on behalf of the Certification Board (ISOQAR - Notified Body No. 0513):**

**Scheme Manager:**  
Steve Stubley

A handwritten signature in blue ink, appearing to read 'Steve Stubley', is written over a light blue circular stamp.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by ISOQAR. Further clarification regarding the scope of this certificate and the applicability of the relevant standards' requirements may be obtained by consulting ISOQAR Ltd.

## EC CERTIFICATE of Factory Production Control

**Certificate No: 0513 – CPR - 12880-001/01**

In compliance with Regulation 305/2011/EU of the European Parliament and the Council of 9 March 2011  
(The Construction Products Regulation or CPR)

### Structural Components for Steel Structures

Harmonised	Type / Execution Class of the Construction Product	Declaration Method
BS EN 1090-1:2009 +A1:2011	Load bearing structural steel components up to EXC 2 according to BS EN 1090-2:2008 + A1: 2011	1, 2, 3a and 3b table A:1 of BS EN 1090-1:2009 + A1:2011

**Placed on the market by:**

**Hooton Engineering Ltd  
and produced in the factory**

Longwood Road, Corringham Road Industrial Estate, Gainsborough, Lincolnshire, DN21 1QB

It has been stated that the construction product is submitted by the manufacturer to the initial type testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body ISOQAR has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

<b>Attestation:</b>	This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard BS EN 1090-1:2009 + A1:2011 were applied.
<b>Date of first issue:</b>	30 March 2015
<b>Date of this issue:</b>	30 March 2015
<b>Period of Validity:</b>	29 March 2018
<b>Validity Period:</b>	This certificate remains valid as long as the conditions laid out in the harmonised standard in reference or the manufacturing conditions in the factory or FPC are not modified significantly

**Approved on behalf of the Certification Board (ISOQAR - Notified Body No. 0513):**

**Scheme Manager:**  
Steve Stubley

A handwritten signature in blue ink, appearing to read 'Steve Stubley', is written over a light blue circular background.

This certificate will remain current subject to the company maintaining its system to the required standard. This will be monitored regularly by ISOQAR. Further clarification regarding the scope of this certificate and the applicability of the relevant standards' requirements (see certificate appendix) may be obtained by consulting ISOQAR Ltd.

**General provisions to the validity of Certificates about Factory Production Control (FPC) according to BS EN 1090 – 1 and ISOQAR rules including additional Welding Certificates.**

- 1) The regulations as addressed in the below listed documents in their respective relevant version shall apply:
  - a) General Terms and Conditions of Business of ISOQAR Ltd
  - b) Contract between ISOQAR Ltd and the customer (manufacturer) as named in the certificates
  
- 2) This certificate is unlimited valid, if the following conditions are fulfilled
  - a) The conditions of this standard have not changed
  - b) Factory Production Control and the conditions of manufacture are unchanged
  - c) There is a valid contract with the notified body
  - d) The notified body must be informed of the following changes in accordance with 1090 – 1
    - New production plant or changes to key production facilities
    - Changes in the position of the RWC
    - Introduction of new welding procedures, new base materials and corresponding WPQR's
  - e) Surveillance periods are carried out in line with ISOQAR terms / conditions /client contract with reference to BS EN 1090 – 1. First surveillance carried out after 6 months from Initial Inspection of the manufacturing facility.
  - f) Surveillance reports confirm that conditions are fulfilled to maintain the certificate
  
- 3) Unscheduled surveillance may be arranged if one of the following situations has occurred
  - a) As per a – d above
  - b) Introduction of a new or modified manufacturing procedure, providing that evaluation properties are influenced
  - c) Changes to a higher execution class (EXC)
  
- 4) The Welding Certificate may only be used in conjunction with the EC Certificate of FPC
  
- 5) This certificate may be withdrawn by the notified body at any time with immediate effect and without compensation, if the conditions under which it was issued have changed or if the requirements of this certificate have not been complied with. The Manufacturer is obligated to send the original certificates
  
- 6) The certificate may be reproduced or published for advertising or other purposes only in its entirety. The wording of any marketing publications must not be contradictory to the contents of the certificates.
  
- 7) The notified body reserves the right to perform inspections at the company's premises at any time, without having to give notice and subject to additional charge, in the event of questions arising with regards to the manufacturer's qualification.

Remarks: None
